MWE of slides using M8R

Thomas Rapstine

Center for Wave Phenomena
Colorado School of Mines

First slide

- I like coffee.
- The weekend is on the way.

First slide

- I like coffee.
- The weekend is on the way.

- Another set of bullets.

First slide

- I like coffee.
- The weekend is on the way.

- Another set of bullets.
- But these are hidden from one another.

# First slide

- I like coffee.
- The weekend is on the way.

- Another set of bullets.
- But these are hidden from one another.
- Which can be used to make animations.

Equations
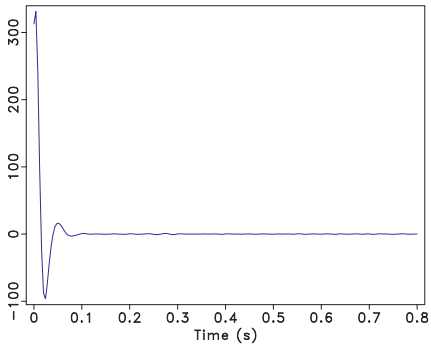

this is text $\nabla^2 u - \alpha \dfrac{\partial u}{\partial t} = \delta(\mathbf{x}, t)$
